OFFICER: W. Aukerman #72-Lake Stevens Police

Case number: 16-00009579

Incident: Hit and run property damage

Location: 11300 South Lake Stevens Road, Lake Stevens

On the date and time of this incident I had legal authority to arrest. I am a fully commissioned police officer, certified by the State of Washington to enforce the laws of Washington State and I am currently commissioned by the Police Chief of the Lake Stevens Police Department. I have been a city of Lake Stevens Police Department Police Officer for over 16 years. On the date and time of this incident I was wearing a full Lake Stevens Police Department issued POLICE duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle.

This incident occurred in the city of Lake Stevens, which is located in Snohomish County in the State of Washington.

SUMMARY:

On 05/20/2016 at about 1416 hours Lake Stevens Police were dispatched to a single vehicle collision into a utility pole in the 11300 block of South Lake Stevens Road in the city of Lake Stevens.

Arriving on scene it was stated by witnesses that the female driver of the pickup had walked away southbound from the collision scene without giving any information. The female's last known location was said to be at 11115 S. Lake Stevens Road. A male at this address stated he had given a female a ride to a nearby gas station. The gas station was checked and the female was not found.

Based on evidence at the scene it is found U1 had been traveling westbound on South Lake Stevens Road, just to the west of East Lake Stevens Road, and failed to negotiate the left turn in the roadway. The pickup left the roadway to the west (road turning south) and collided with a warning left turn sign, a utility pole and large shrubs on the property line of 11303 South Lake Stevens Road.

The pickup was found to be registered to a male out of Granite Falls. The registered owner's residence was checked by SCSO in an attempt to gather further information. The residence appeared to be in foreclosure and no one was present.

The pickup was impounded by Angel Towing off the police rotation list.

At this time the female driver of the pickup has not been identified.

NARRATIVE:

On 05/20/2016 at about 1416 hours Lake Stevens Police were dispatched to a single vehicle

collision into a utility pole in the 11300 block of South Lake Stevens Road in the city of Lake Stevens.

At about 1430 hours witnesses reported the female driver of the pickup was last seen walking southbound from the collision scene without providing any information. The female was described as being 5'04", brown curly hair, maybe 50 years of age wearing a white sweatshirt with hoodie, caprice type pants and carrying a large white duffle bag with a pattern on it.

Arriving on scene I met with two witnesses; Doty and Brocklyn. Doty said she lives nearby and heard the collision. Brocklyn said he had been traveling northbound on South Lake Stevens Road and stopped after observing the collision.

Doty said she had arrived on scene to watch the female driver of the pickup getting out the passenger side of the truck. Doty said the horn on the truck was blaring loudly so a neighbor "William" disabled the horn. The female driver told Doty she did not need any help or aid. The female continued to say she did not need assistance, only use of a bathroom since she was peeing her pants. The female driver declined use of a neighbor's bathroom. Doty left the scene to get her shoes, and upon returning found the female driver now walking southbound on South Lake Stevens Road from the collision scene. It appeared the female had gone to 11115 S. Lake Stevens Road.

Officer Adams arrived on scene and I requested he check 11115 for the female driver. Officer Adams checked the address and was told someone had taken the girl matching the description of the driver of the pickup to a nearby gas station. Officer Adams checked the gas station and the female driver was not found. I later spoke to the male who took the driver to the gas station, Isaa Allen DOB 1977, and obtained a written statement.

Brocklyn said he had observed the collision and stopped to check on the driver. He said he spoke with the female driver who said she was fine and walked down the road.

Based on statements and evidence at the collision scene, it is found that U1 had been traveling westbound on South Lake Stevens Road, just west of East Lake Stevens Road, and failed to negotiate the left curve in the road. The truck left the roadway westbound (curve turning south), struck a warning left curve sign, shrubbery on the property line of 11303 South Lake Stevens Road and a utility pole. The utility pole did not appear to have sustained any damage.

The pickup was found to be registered to a male by the name of Kelly Slusher out of Granite Falls. I requested an agency assist for law enforcement to check Slusher's residence for further information about his vehicle and who may have been driving it. Snohomish County Sheriff's Deputy checked the address for Slusher and informed me that the residence appears to be in foreclosure and no one was around.

I took several digital images of the collision scene and vehicle. Angel Towing impounded the pickup off the police rotation.

After I cleared the scene I went to 11115 and spoke with Isaa Allen. Allen said he had been

working outside and was contacted by a female with brown hair in a bun, wearing glasses, being about 25-35 years of age and carrying a white bag. The female asked for a ride to Tom Thumb Grocery nearby. The female indicated it was an emergency so he gave her a ride; not knowing about the collision just down the street. Allen thought the girl mentioned her name as being Aubrey or Andrea.

Officer Hingtgen checked associates of the registered owner Slusher and came up with a possible suspect. Officer Hingtgen came up with a possible suspect by name of Brooke A. Wilson DOB 1981. The return on Brooke also shows her driver's status to be suspended/revoked in the second degree.

Officer Hingtgen showed Doty the picture of Brooke. Doty said Brooke looked like the driver of the truck, however the picture appeared she was younger than being in her 50's. A neighbor (William) who had seen the driver looked at the picture and said Brooke did not look like the driver of the truck because Brooke's picture seems she is younger.

At this time the driver of the pickup involved in the hit and run property damage has not been identified.

RECOMMENDATIONS:

At this time this case is closed in the files of the office pending future information to the identity of the female driver of the vehicle.

END OF REPORT.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT I HAVE COMPLETED THIS NARRATIVE ON THE DATE AND AT THE LOCATION LISTED BELOW, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

I HAVE PROBABLE CAUSE TO BELIEVE THE ABOVE NAMED PERSON COMMITTED THE ABOVE OFFENSE(S).

Officer Adams checked the address and was told someone had taken the girl matching the description of the driver of the pickup to a nearby gas station. Officer Adams checked the gas station and the female driver was not found. I later spoke to the male who took the driver to the gas station, Isaa Allen DOB 1977, and obtained a written statement.

Brocklyn said he had observed the collision and stopped to check on the driver. He said he spoke with the female driver who said she was fine and walked down the road.

Based on statements and evidence at the collision scene, it is found that U1 had been traveling westbound on South Lake Stevens Road, just west of East Lake Stevens Road, and failed to negotiate the left curve in the road. The truck left the roadway westbound (curve turning south), struck a warning left curve sign, shrubbery on the property line of 11303 South Lake Stevens Road and a utility pole. The utility pole did not appear to have sustained any damage.

The pickup was found to be registered to a male by the name of Kelly Slusher out of Granite Falls. I requested an agency assist for law enforcement to check Slusher's residence for further information about his vehicle and who may have been driving it. Snohomish County Sheriff's Deputy checked the address for Slusher and informed me that the residence appears to be in foreclosure and no one was around.

I took several digital images of the collision scene and vehicle. Angel Towing impounded the pickup off the

NARRATIVE (continuation)

police rotation.

After I cleared the scene I went to 11115 and spoke with Isaa Allen. Allen said he had been working outside and was contacted by a female with brown hair in a bun, wearing glasses, being about 25-35 years of age and carrying a white bag. The female asked for a ride to Tom Thumb Grocery nearby. The female indicated it was an emergency so he gave her a ride; not knowing about the collision just down the street. Allen thought the girl mentioned her name as being Aubrey or Andrea.

Officer Hingtgen checked associates of the registered owner Slusher and came up with a possible suspect. Officer Hingtgen came up with a possible suspect by name of Brooke A. Wilson DOB 1981. The return on Brooke also shows her driver's status to be suspended/revoked in the second degree.

Officer Hingtgen showed Doty the picture of Brooke. Doty said Brooke looked like the driver of the truck, however the picture appeared she was younger than being in her 50's. A neighbor (William) who had seen the driver looked at the picture and said Brooke did not look like the driver of the truck because Brooke's picture seems she is younger.

At this time the driver of the pickup involved in the hit and run property damage has not been identified.

RECOMMENDATIONS:

At this time this case is closed in the files of the office pending future information to the identity of the female driver of the vehicle.

END OF REPORT.

STATEMENT:

I did not witness the accident but heard the wreck.

I came outside as the woman driving was climbing out of the truck on the passenger side. She said she didn't need any help or aid. The horn on the truck was blaring so our neighbor, "William" went to get a toolkit to disable the horn.

At this point the woman was standing alongside the road. I walked over to her to see if (ask again) if she was okay. I recommended calling for someone to check her out. She said "no" she was fine. She needed to use the bathroom & said she was peeing her pants. The neighbor offered his restroom. She said "no thanks." I then said, "it could be awhile before she will get to use a bathroom. Still "no." I left to grab my shoes (ran out of the house barefoot). When I returned she had walked further west on S. Lake Stevens Rd. She kept walking. Eventually turning into a driveway. I didn't see her again.
